Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.  
<sup>1</sup> A "+" following a place name indicates that the place is also a false MCD; the false MCD name is not shown.  
<sup>2</sup> In 1990, the crews-of-vessels population of ships at sea was allocated to census tracts with a "99" suffix. An anchor symbol appeared on the 1990 maps locating a crews-of-vessel tract. These maps show a very small area symbolized as a census tract with the census tract number shown near the area.  
<sup>3</sup> A "+" following a block number indicates that the block number is repeated elsewhere in the block.

All legal boundaries and names are as of January 1, 1990 as tabulated for the Public Law 94-171 and Summary Tape File products. The boundaries also reflect the feature network and coordinates as of the Census 2000 geographic base. Since 1990 the Census Bureau updated the base from the North American Datum of 1927 (NAD27) to the datum as of 1983 (NAD83) and made numerous updates to the base features from those depicted in 1990. The boundaries shown on this map are for the Census Bureau's statistical data collection and tabulation purposes only; their depiction and designation for statistical purposes does not constitute a determination of jurisdictional authority or rights or ownership or entitlement. Source: U.S. Census Bureau's TIGER database (Census 2000). Projection: State-based Albers Equal Area U.S. DEPARTMENT OF COMMERCE Economics and Statistics Administration U.S. Census Bureau

Where international, state, and/or county boundaries coincide, the map shows the boundary symbol only for the highest boundary of these boundaries.

1 A "–" following a place name indicates that the place is also a false MCD; the false MCD name is not shown.

2 In 1990, a census of vessels population of ships at sea was allocated to census tracts with a "99" prefix. An anchor symbol associated on the 1990 maps indicated a census of vessels tract. These maps show a very small MCD associated as a census tract with the census tract number shown near the area.

3 A "–" following a block number indicates that the block number is repeated elsewhere in the map.

Where international state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

- <sup>1</sup> A "0" following a place name indicates that the place is also a false MCD; the false MCD name is not shown.
- <sup>2</sup> In 1990, the crews-of-vessels population of ships at sea was allocated to census tracts with a ".99" suffix. An anchor symbol appeared on the 1990 maps locating a crews-of-vessel tract. These maps show a very small area symbolized as a census tract with the census tract number shown near the area.
- <sup>3</sup> A "\*" following a block number indicates that the block number is repeated elsewhere in the block.

The diagram illustrates various types of boundaries and their associated features, organized into three columns:

- Highway**: Represented by a solid black line.
- Pipe/Power Line**: Represented by a dashed black line.
- Stream/Shoreline**: Represented by a blue wavy line.
- Secondary Road**: Represented by a solid black line with short perpendicular tick marks.
- Ridge/Physical Feature**: Represented by a solid black line with short perpendicular tick marks pointing in one direction.
- Intermittent Stream**: Represented by a blue wavy line with a dashed center line.
- Jep Trail/Woody/Ferry**: Represented by a solid black line with short perpendicular tick marks pointing in one direction.
- Property/Tenure Line**: Represented by a solid black line with short perpendicular tick marks pointing in one direction.
- River**: Represented by a blue wavy line with a dashed center line.
- Railroad**: Represented by a solid black line with short perpendicular tick marks pointing in one direction.
- Nonvisible Boundary**: Represented by a dashed black line.
- Glacier**: Represented by a blue wavy line with a dashed center line.
- Military**: Represented by a blue dashed line with small blue squares.
- Inset**: Represented by a gray rectangular box with a dashed border.
- Out Area**: Represented by a gray rectangular box with a solid border.
